## A Cough Medicine

Ayer's Cherry Pectoral is a regular cough medicine, a strong medicine, a doctor's medicine. Good for easy coughs, hard coughs, desperate coughs. If your doctor endorses it for your case, take it. If not, don't take it. Never go contrary to his advice.

The dose of Ayer's Pills is small, only one at bedtime. As a rule, laxative doses are better than cathartic doses. For constipation, biliousness, dyspepsia, sick headaches, they cannot be excelled. Ask your doctor about this.

The finest coffee substitute ever made, has recently been produced by Dr. Shoop of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute," says the doctor. "Health Coffee" is really the closest coffee imitation ever yet produced. Not a grain of real coffee in it. Health Coffee imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee. Sold by Jos. L. Long.

Mrs. W. S. McCuddy of Blue Grass, Ky. arrived Monday for a visit with her mother, Mrs. T. B. Grimes.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers every where to give it without hesitation even to very young babies. The whole some green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract that helps to heal aching lungs. The Spaniards call this shrub which the doctor uses "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by Dr. Silverstone's Drug Store.

Mr. and Mrs. William Nicholson of Kansas City spent Sunday with Mr. Nicholson's parents, Mr. and Mrs. E. F. Nicholson.

When the stomach, heart or kidney nerves get weak, then these organs always fail. Don't drug the stomach, nor stimulate the heart or kidneys. That is simply a make shift. Get a prescription known to druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. For sale at Dr. Silverstone's Drug Store.

This is a scientific preparation of natural digestants combined with vegetable acids and it contains the same juices found in every healthy stomach. Kodol is guaranteed to give relief. It is pleasant to take; it will make you feel fine by digesting what you eat. Sold by Leroy Farmer.

### FIRST BIG SNOW

was the heavy, sticky kind, that makes Good Snow Balls.

The first really heavy snow of the season fell Sunday between 6 and 12 o'clock p. m. Shortly after dark a misty, drizzly rain began to fall and soon sleet was mingling with the rain. At 7:30 snow was falling and continued to come down until midnight. It was heavy, damp, sticky snow driven by a northeast wind. It clung to the garments of pedestrians who were unfortunate enough to be abroad. It attached itself to trees and posts and overhanging wires. Wherever a flake lit it remained.

Monday morning a glimpse out doors was enough to delight the senses of anyone who is artistically inclined and is not afflicted with weak eyes. Everything looks clean and bright in its new white mantle. Dingy ash piles and refuse heaps are immaculate with their beautiful covering. To prosaic people who have to go out, however, the aspect is less entrancing. An unsound and slushy footing is underneath the velvety surface. Walking is hard for man and beast and traffic is seriously impeded. Even the Missouri Pacific trains were late Monday morning. The town clock went out of business at 1:30.

A corps of shovelers worked Monday morning clearing the down town sidewalks for the convenience of holiday shoppers. Thawing began early and it seems that sloppy weather for a while is inevitable.

There is something above Kennedy's Laxative cough syrup that makes it different from others as it causes a free action of the bowels through which the cold is forced out of the system.
